

Keynote Speaker

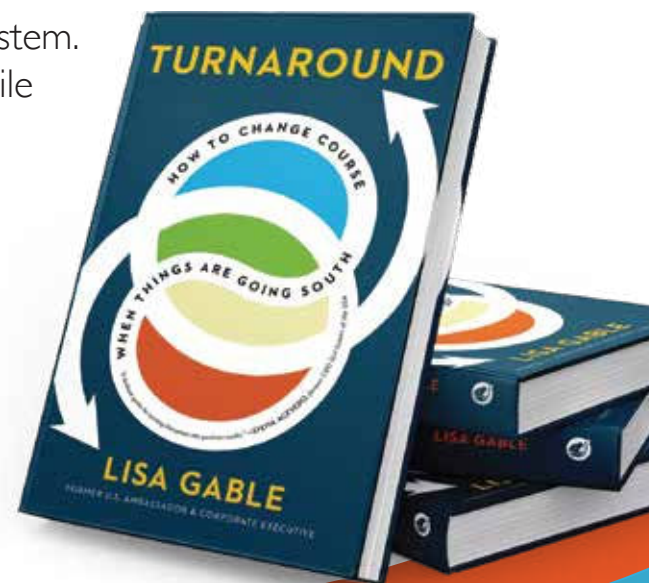

Lisa Gable

AV Rider

Computer, Projectors, Sound, and Displays

- Lisa will send her Powerpoint presentation at least one week in advance of the engagement.
- Presentation should be loaded, tested, and run from client's computer
- Lisa requires an A/V check no fewer than 30-minutes before taking the stage.
- Audio is required.
- A confidence monitor with clock on the stage is required.
- The client must provide a slide advancer for Lisa to use.
- Lisa prefers no podium on stage. If one must be present, it must be pushed back so she may walk in front of it.
- All videos, audio, and content is embedded in the PowerPoint presentation, so no internet access is necessary.
- Lisa requires a wireless lavalier or "countryman" microphone connected to a professional audio system.
- Please have a bottle of water available for Lisa while on stage.
