

**Keynote Speaker**

**Lisa Gable**

## Testimonials

**Supporting the next generation of leaders in solving the world's biggest problems.**

"Business and leadership are doing their best to navigate the economic storm that will sink those struggling to find their true north. Turning our organization around takes a unique set of skills and experience. Lisa Gable's proven guidance for turning around teams and organizations by applying a unique combination of discipline with diplomacy and humanity is unquestionable. Her rare ability to take care of relationships while forging strong partnerships is invaluable. This book is both timely and essential for any business or team wishing to successfully navigate the challenging times ahead."

**DOV BARON**
